Ervin Ruci

Main Experience

03/2001–11/2005 CIRA (Canadian Internet Registration Authority) Ottawa, ON

Applications Developer

- Over the past 5 years led and implemented the development of various registry systems and architecture, reporting directly to the CEO. As the only full time developer, I also worked with various contractors to lay the groundwork for the technical infrastructure of the newly founded non-for-profit company mandated by the Canadian government to manage the .ca name-space as a national resource for all Canadians.

05/1998–01/2001 Mount Allison University Sackville, NB

Web Manager

- Coordinated and supported the research, instructional, administrative, and promotional activities on the Mount Allison University official website. (<http://www.mta.ca>) as well as related departmental web applications.

Education

1996–2000 Mount Allison University Sackville, NB

- B.A., Mathematics and Computer Science.

2005–2007 Carleton University Ottawa, ON

- MSc. Computational Geometry.

Awards and Honors

International Student of the Year Award. Mount Allison University. 1997

Merit Entrance Scholarship for transfer students. Mount Allison University. 1996

Merit Entrance Scholarship, University of Indianapolis / Athens. 1994

Second prize in the Albanian National Physics Olympiad Finals. Tirana, April 1993.

Tech Skills

I have been involved in Hi Tech. for the last 10 years in various positions of increasing responsibility. My skills in the field are quite varied and diverse; from the field of software development and web applications to database administration and systems administration mainly involving the LAMP stack (**L**inux/**U**nix, **A**pache, **M**ySQL, **P**erl/**P**HP) I've also worked with Oracle databases, PL/SQL, Windows platforms, etc..

However, my most important skill consists of the ability to learn new skills quickly.

Other Skills / Interests

Language Skills (in order of proficiency). Albanian, English, Greek, Italian, German, Spanish. Comprehension ability in French.

Photography, Drawing, Creative Writing, Film Making, Crypto.
