Memorandum of Understanding (MOU)

Parties to the Memorandum

Mother Teresa University in Skopje, North Macedonia
and

"Ismail Qemali" University of Vlorë, Republic of Albania

Overall Aim and Objectives

Both parties have mutually agreed to enter a co-operative relationship for the general purpose of cooperation in the development of educational study and research programs, organization of conferences/journals, projects for the mutual benefit of both parties, research activities, and other activities to be defined later within a separate Memorandum of Collaboration.

Scope of this Memorandum of Understanding (MOU)

This memorandum of Understanding records the intention of both parties to explore areas of joint activities mentioned above in Overall Aim and Objectives.

Each Activity carried out within the broad framework of this Memorandum shall be subject to the mutual consent of both parties considering constraints of time, funding and other relevant resources. Additionally, each activity shall be governed by terms and conditions to be separately negotiated and mutually agreed by both parties through discussion and the signing of a separate Memorandum of Collaboration.

Either party may revoke this Memorandum by giving at least 90 days advance notice.
