I. PROPOSED MOBILITY PROGRAMME

Planned period of the teaching activity: from [11/09/2017] till [15/09/2017]

Duration (days) – excluding travel days: 5

*Main subject Field⁶: 0541: Mathematics (11.1 - 461)

*Level (select the main one): Short cycle (EQF level 5) ☐; Bachelor or equivalent first cycle (EQF level 6) ☐; Master or equivalent second cycle (EQF level 7) ☒; Doctoral or equivalent third cycle (EQF level 8) ☐

Number of students at the receiving institution benefiting from the teaching programme: 10

*Number of teaching hours: 8

*Main Language of Instruction: English Other Language Used:

Overall objectives of the mobility:

Teach a PhD level course in Mathematical Control Theory.
Expose students to recent research ideas in Control Theory

Added value of the mobility (in the context of the modernisation and internationalisation strategies of the institutions involved):

⁶ The ISCED-F 2013 search tool available at http://ec.europa.eu/education/tools/isced-f_en.htm should be used to find the ISCED 2013 detailed field of education and training that is to the subject taught.

Content of the teaching programme:

Mathematical Control Theory: classical and recent results in optimal control with some hints on impulsive controls.

Expected outcomes and impact (e.g. on the professional development of the teaching staff member and on the competences of students at both institutions):

Teaching staff member should increase her teaching capabilities acquiring new knowledge in the process. She will also have the opportunity to discuss on common research arguments with Professor Feleqi.

Students will learn basic and modern ideas in Control theory reaching the frontline of research.

II. COMMITMENT OF THE THREE PARTIES

By signing⁷ this document, the teacher, the sending institution and the receiving institution/enterprise confirm that they approve the proposed mobility agreement.

The sending higher education institution supports the staff mobility as part of its modernisation and internationalisation strategy and will recognise it as a component in any evaluation or assessment of the teacher.

The teaching staff member will share his/her experience, in particular its impact on his/her professional development and on the sending higher education institution, as a source of inspiration to others.

The teaching staff member and the sending institution commit to the requirements set out in the grant agreement signed between them.

The teaching staff member and receiving institution will communicate to the sending institution any problems or changes regarding the proposed mobility programme or mobility period.
