CONFERENCE PRESENTATION

The conference is a great opportunity for all specialists, academics, students and professionals, as well as for institutions that deal directly or indirectly with the issues mentioned.

High-level works are welcome that describe constructive, empirical, experimental or theoretical concepts that have not yet been published previously. Presentations may include tables, graphics or photographs that serve to illustrate or support the artifacts.

The conference will take place in two modalities, Live and simultaneously also in Remote Session on the ZOOM platform.

OFFICIAL LANGUAGES

The conference will take place in 3 languages: French, English and Italian. If *Slides* will be used for the presentation, they must be written necessarily in English

BEST PAPER AWARD 2022

The 2nd Best Paper Award of 2022 is established, among the participants in the 6th and 7th UNICART conferences of year 2022.

The ten best papers will be selected by the IARC Scientific Committee and sent to a jury for the assignment of the award.

The 1st classified will receive a prize plaque, the other nine ex aequo will receive a Pergamena. All ten-finalist papers will be published in a special edition edited by IARC and ETQA, Brussels.

Given the international significance of the event, the ten selected papers must be written in English.

PROCEEDINGS OF THE CONFERENCE

The proceedings of the conference will be published online in a Proceedings Book (with ISBN code) by 30 of July 2022.
