Faculty of Humanities	Department of Foreign Languages	PhD	Linguistic, Literary and Cultural Sciences				Throughout this three-year program, students will cultivate the skills required to thrive in a dynamic professional environment. Utilizing a combination of both on-campus and hybrid learning(web-enhanced instruction), participants will gain expertise in executing both primary and secondary research. They will also acquire the ability to analyze modern methodologies in linguistic, literary, and cultural sciences, while comprehending the underlying theories and practices that support these methodologies.
